

## **Report on Academic Visit of Students from LNCT University to Dr. Ambedkar International Centre and Dr. Ambedkar National Memorial**

The Dr. Ambedkar International Centre (DAIC), an autonomous institution under the Ministry of Social Justice and Empowerment, Government of India, successfully hosted an academic visit of students from the School of Legal Studies, LNCT University, Bhopal, on **24th April 2026**.

A group of students accompanied by faculty members visited DAIC as part of their academic engagement in New Delhi. The visit was organized to provide students with meaningful exposure to the life, philosophy, and constitutional vision of Bharat Ratna Dr. B. R. Ambedkar. DAIC, envisioned as a centre of excellence for research, policy dialogue, and academic exchange, regularly hosts such engagements to promote awareness on social justice, constitutional values, and inclusive development.

During the visit, the students were given an overview of the Centre's facilities, including its knowledge resources, research ecosystem, and the Constitution gallery. The interaction aimed at enhancing their understanding of Dr. Ambedkar's contributions to nation-building, particularly in the domains of law, governance, and social reform.

The visiting group also had the opportunity to visit the Dr. Ambedkar National Memorial, which stands as a significant site commemorating the life and legacy of Dr. Ambedkar. The memorial provides rich historical insights through exhibits, archival material, and curated galleries, offering students a deeper appreciation of his enduring impact on Indian society.

An interactive session was held at DAIC, where the Director addressed the students, encouraging them to uphold constitutional values and contribute towards building an equitable and just society. The session was well-received and fostered engaging discussions among participants.

The visit concluded successfully, providing the students with valuable academic exposure and reinforcing DAIC's role as a hub for intellectual engagement and dissemination of Dr. Ambedkar's ideals.
